THE NEED

Many of the women who train at the SASS Go I Will Survive Weekend are survivors of assault, abuse, and/or trafficking who need scholarships to attend. Your support ensures scholarships for them and helps us provide the food, experts, lodging, and equipment that make this life-changing weekend so powerful!

SASS Go is a 501(c)(3) nonprofit making communities safer from assault, abuse, and trafficking. We believe that all women should have the ability to safeguard their lives and that together, we can ensure it.
